With the emphasis on practical ideas that can be used by all of us, a good part of our meetings will be a give and take of ideas including:

-  Lessons that have worked well
-  Research projects
-  Great stories, with or without props
-  Successful management techniques -
for children or materials!
-  Internet lessons
-  Favorite books (picture or chapter) to book talk
-  Ideas for National Book Week
-  Reading incentive programs or ideas
-  Character Education materials
-  Good Websites

Each one attending should come prepared to share one or two great ideas with the rest of the group. Include handouts if appropriate. Also bring books that you think others would be interested in. The purpose is to increase student learning and enhance children's love of reading.
